

St. Patrick Parish Faith, Family and Community

FOR OVER 162 YEARS, St. Patrick Church
has stood as a beacon of faith in the West Park neighborhood.

Throughout the years, many, many parishioners—each in their own
way—brought vitality, spirituality and commitment to this church
and built a strong bond of community.

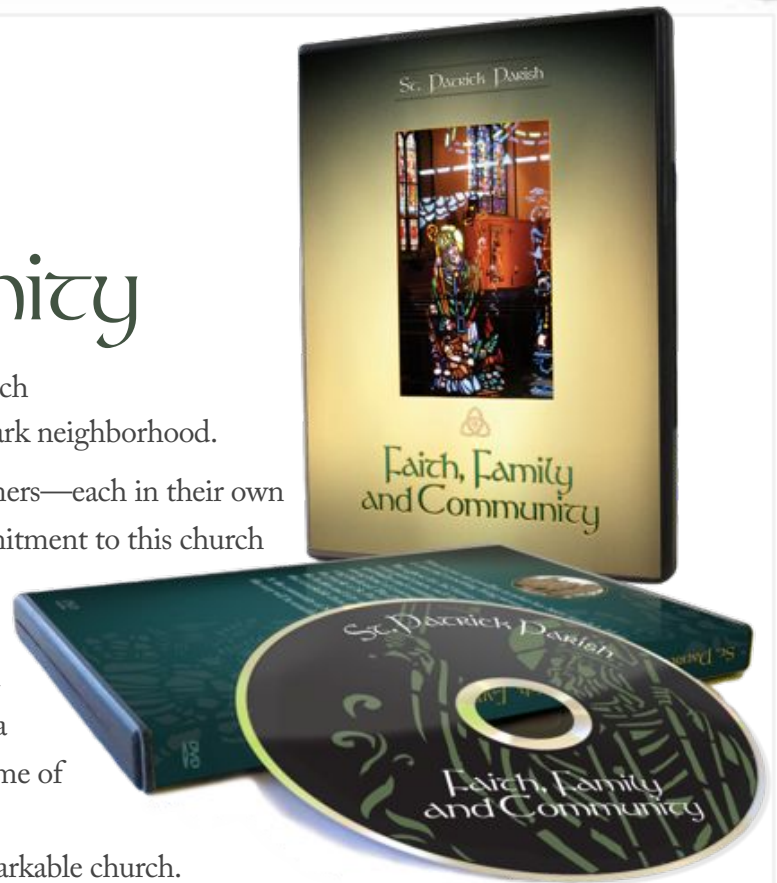

This DVD commemorates the spirit of the
people of St. Pat's. It is they who influenced
so many lives and helped make St. Patrick's a
family of faith. Through interviews with some of
the leaders and laity

of St. Pat's we explore the legacy of this remarkable church.

As we face the future, this story will be something to treasure for years to come.

The DVD is expected to be ready for delivery in early June. Please include check or money order for \$20
(includes shipping) payable to St. Patrick's Historical Committee and mail to:
